# Welcome To Our Bakery

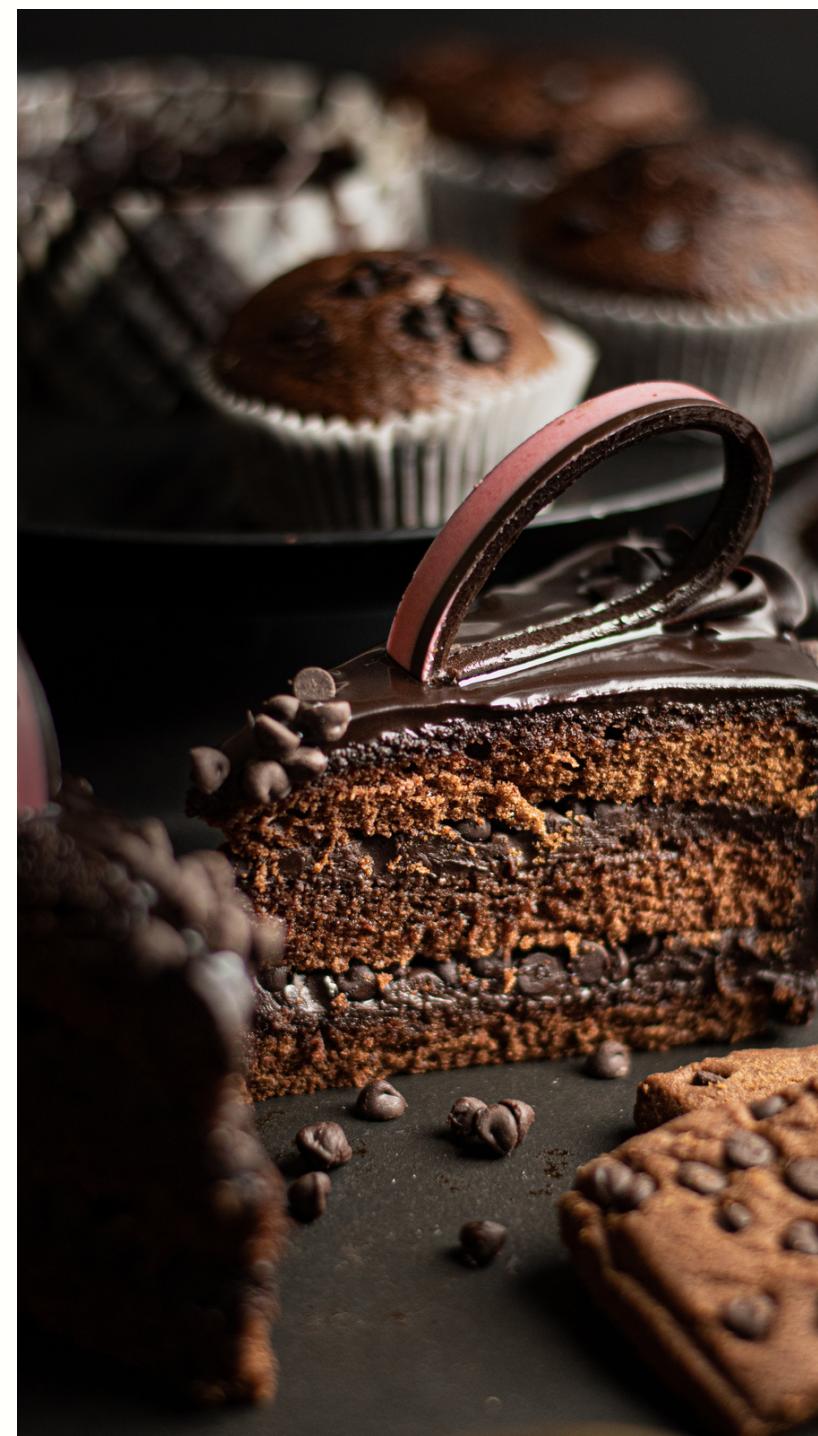

Our Tiny Delight is a virtual delight for all things sweet and savory. It's a one-stop destination for pastry lovers, cake connoisseurs, and bread enthusiasts. Explore the flavors and aromas that define our bakery's essence..

# Visual Appeal

We welcome you with mouthwatering images of freshly baked goods. From artisan bread to delectable cakes, we've designed a visual experience that reflects the warmth and comfort of our bakery.

# Our Vision

- Primary motive is selling cakes and related products. This websites allow customers to browse through a catalog of cakes, place orders, and make purchases online.
- to showcase the quality and variety of cakes available, attract potential customers, and provide essential information like location, contact details, and opening hours.

# Problem Faced

- Resdesigning certain webpages using bootstap.
- Responsiveness:Making the webpage responisve was a challenge as some of the elements changed when we make it responsive.
- Make it user friendly.
